RESPONSE

Dear Sir:

[XXX] NO FEES ARE PAYABLE WITH RESPECT TO THIS RESPONSE.

In response to the official action mailed April 15, 2008, please enter the following before reconsideration of this application.

REMARKS

Claims 13-20 and 22-26 are rejected, under 35 U.S.C. § 102, as being anticipated in view of Callan et al. '038 (United States Publication No. US 2003/0132038). The Applicant acknowledges and respectfully traverses the raised anticipatory rejection in view of the following remarks.

It is note that 35 U.S.C. § 102(e) states that:

A person shall be entitled to a patent unless -

e) the invention was described in - (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for the purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language....
